

1. Kayla – Overview of Numbers 33-36
2. Greg & Carol – Discuss the “cities of refuge” including whether or not Joshua 20:1-6 is talking about them existing in the millennium.
3. Rosses – Discuss the boundaries as found in this portion (Num. 34:1-15) and contrast them with Genesis 15:18-21 and Ezekiel 47:15-48:35.
4. Open – Being led by the Spirit – During the 40 years, Israel went to 42 named places. 42 times He said stop and then go and they did it. During this entire time, He showed great **chesed** for Israel, as the people were fed with manna, given water from the Rock that miraculously accompanied them, were unmolested by marauders or wild animals, and were surrounded by the His glory. In light of Romans 8:1-14 and I Chronicles 13:1-14, discuss the role that knowing the revealed Word of Yahweh plays in the overall process of being “Led by the Spirit”.
