

Homework 7Dec13 15:20 – 18:27

Everyone in the assembly is invited to examine all the following assignments. I have selected certain ones to be responsible for key points. If possible, please limit each to around 10 minutes.

Carol: Using Exodus 15:20-21 as a starting point, please talk about the role of dance from the Hebrew and what was taking place here as far as what the singing and dancing was doing for the benefit of the men.

Phil & Julie: Please apply 15:25-26 from a light to heavy perspective for how parents are to train up their children in the way they are to walk.

David: Please discuss the Sabbath training implemented by The Most High in 16:1-36.

Lori: 17:7 and 15 contain 3 Hebrew words of interest. v7 And he called the name of the place **Massah**, and **Meribah**... and v15 And Moses built an altar, and called the name of it Yahweh-**nissi**:

Please bring light from the Hebrew for the words Massah, Meribah, nissi.

Lee: 18 The priest of a nation later hostile to Israel “invents” Israel’s legal system and leads the people in worship. What are the implications thereof?
